Improving Lives Bringing Hope

Community Handbook
Issue No.4 2026

Introduction

This is the third booklet we have compiled and putting it together highlights just how much is going on in our wonderful community, for all abilities and ages. There are so many activities to engage with, be it music, art or fitness you are likely to find something which suits you.

If you need help you are also likely to find a group or organisation in the area who can assist you with your requirement. If this booklet fails to provide information you need please feel free to contact us as we may be able to signpost you in the right direction.

Every effort is made to ensure accuracy of information in this handbook, however, some information provided by the groups or organisations is subject to change. Please contact groups or organisations for specific, current information relating to opening days and times.

Some organisations charge for their services and Re:store Axe Valley CIC do not endorse any particular club or organisation. We have tried to include all community groups and organisations within the edition, if we have failed to mention one please let us know and we can add it to future publications and to our online copy.

Who We Are

Restore is a Seaton based not for profit organisation supporting the local community to access and find help when needed.

If you want to visit us pop in to our community hub at Seaton Hospital open Monday to Friday 9am - 2.30pm; you will find we have various groups running throughout the week.

Volunteer

Volunteering can provide people with a new direction in life, opening up a range of activities and leading to increased self-esteem and self-confidence.

No matter how large or small, your contribution is valuable and appreciated.

There are many ways to volunteer in the local community. Please contact us for more information.

Can We Help Your Group?

If you have a community scheme or initiative that you want to develop then please contact us as we might be able to help.

Seaton Town Council

STC website offers comprehensive knowledge on the local council as well as community information and details of community groups. The what's on calendar – www.seaton.gov.uk/whats-on - has information on local events and activities which is provided by community groups and event organisers.

COMMUNITY CONSULTATION 2025

A huge thank you to everyone who completed Seaton Town Council's Community Consultation, last Autumn. This gave residents a voice at a

moment of significant change in local government in Devon. With services and assets likely to transfer to the town council by 2027/28, your feedback will help shape future priorities, funding bids and budget decisions to ensure services reflect what matters most to our community.

Seaton Town Council Community Consultation 2025 KEY FINDINGS

Parks & Open Spaces

Parks and open spaces are highly valued, play areas are a key priority for younger residents

Town Cleanliness

Unanimous agreement that street cleaning and keeping the town tidy is a high priority

Seafront

Seaton's most valued asset, unfinished and derelict buildings are an ongoing concern

Public Toilets

90% of those who responded are in favour of retaining two toilet blocks

Environmental Projects

80% of those who responded support ongoing investment in projects such as Seaton Beach School and rewilding

Tourist Information Centre

Opinions are divided on the importance of retaining the TIC in its current form, with many supporting a different model, including online provision

Communication & Engagement

42% of those who responded feel uninformed and only 18% feel fairly informed. Social media communication is popular with under-60s

Vision for 2030

A cleaner, tidier town, preservation of green spaces, more activities for young people, improving the seafront buildings

Seaton Town Council
Priorities

For 2026/27

- Playpark upgrades
- Planning ahead for Local Government Reorganisation & asset transfers from EDDC
- Ongoing maintenance and repair of existing assets
- Growing community engagement

ANNUAL TOWN MEETING 2026

**Seaton residents are warmly invited to join
Seaton Town Council at the next
Annual Town Meeting!**

*Refreshments
available!*

Would you like to meet your town councillors, hear about the town council's plans for the year ahead and share your thoughts on local matters?

Would you like to know more about the Wild About Seaton Masterplan?

Would you like to chat to local community groups and understand more about their valuable work and how it benefits Seaton?

The guest speaker, at this year's Annual Town Meeting, will be James Chubb, Countryside Manager for East Devon District Council and the manager of Seaton Wetlands. James will join us to talk about the Wild About Seaton Masterplan - an exciting project commissioned to guide the future of Seaton's natural environment. This is a fantastic opportunity for residents to hear directly from James about the vision behind the masterplan and to learn more about the work taking place to protect and enhance our local wildlife habitats.

COMMUNITY NOTICEBOARD

Cycling Without Age Seaton (CWA) is part of a global movement that brings generations and communities together through trishaw rides – a three-wheeled cycle with a passenger cab at the front. It offers a safe and enjoyable way to explore the outdoors; passengers can enjoy the beauty of Seaton Wetlands and the picturesque seafront, taking in local wildlife, nature, and enjoy coastal views.

However, CWA's mission is more than just providing rides - it's about fostering social connections and creating meaningful

interactions as volunteer pilots and passengers can share stories and make memories.

Cycling Without Age Seaton provides fully insured rides for: Care home residents, people with disabilities and anyone who struggles to get out and about. For more information on this wonderful initiative visit cyclingwithoutage.org.uk/england-chapters/seaton

PRECEPT NEWS

Across Devon, local government reorganisation will bring changes to how services and community assets are owned and managed.

Although details are still emerging, town and parish councils have been encouraged to plan ahead to ensure that local services are retained and well run.

To do this responsibly, Seaton Town Council made the difficult decision to increase the precept for 2026/27.

Q What does this increase mean for households?

On a Band D property, the increase will be £43.75 per year or 84p per week. This increase only applies to the town council portion of the council tax bill.

Q Why is the Council doing this?

The town council recognises the pressures on household budgets and has taken this decision after careful consideration. Having reviewed various alternatives, councillors agreed that planning ahead is the most responsible way to safeguard important local services and ensure Seaton is well-placed to manage the upcoming changes.

By gradually increasing the precept now, this will protect against sharper increases later on.

Q What will the additional income be used for?

It will enable the town council to:

- increase reserves and respond to change quickly and efficiently
- prepare for the transfer of community assets or facilities
- maintain continuity of valued local services

COMMUNITY GRANTS AWARDED

In 2025/26 Seaton Town Council supported the following organisations through its community grant scheme

Community Group

Amount Awarded

Cycling Without Age

£1500.00

Seaton Chamber

£1000.00

Operation Rudolph

£1000.00

Axe Valley Christians Against Poverty

£750.00

Seaton Primary School PTFA

£2000.00

In addition to the above, Seaton Town Council has also assisted with the funding of the following community activities:

Grizfest 2026

£2000.00

Seaton Youth Group

£2000.00

Operation Rudolph explains how these community grants make a difference:

“The community grant awarded to Operation Rudolph helped them to support over 68 households, specifically within Seaton, providing essential meals and a festive connection. Their commitment to “no one slipping through the net” was put to the test on Christmas Day when they received an urgent call from an individual who had not been on their initial list. But thanks to the resources they had in place, they were able to deliver hot meals and conduct a much-needed community check-in that same afternoon”.

Sharon Thorne, founder and director, reported that “demand across East Devon rose by 25% this year and, quite simply, without the support of Seaton Town Council, Operation Rudolph would have truly struggled to provide the level of care and logistics required to meet this need”.

LOCAL GOVERNMENT REORGANISATION

What is LGR?

LGR is part of a wider central government effort to devolve more power to local areas and streamline existing council structures.

Devon currently has 11 local authorities: 1 county council, 2 unitary authorities (Plymouth and Torbay) and 8 district councils. LGR aims to replace these with a smaller number of unitary councils that deliver all local services.

Different options have been put forward for consideration including the "Reimagining Devon" proposal which suggests 3 new unitary authorities for Devon and alternative submissions, including a single county-wide or 4 unitary models

Current Status

The competing models include:

- Case for Devon - proposed by DCC: 1 unitary authority for the county with Plymouth and Torbay remaining as they are
- Reimagining Devon - supported by most district councils, including EDDC: 2 unitary authorities for South Devon and 1 for North and East Devon

- Urban-Rural Split - proposed jointly by Plymouth and Exeter city councils: the creation of 4 unitary authorities

Next Steps

The government launched a seven week statutory consultation with stakeholders in early February 2026 .

As of January 2026, local elections scheduled for May 2026 in areas like Exeter are being postponed to allow councils to focus on LGR.

A final decision from the Secretary of State on the new chosen model is expected in summer 2026

As an interim measure "shadow authorities" are expected to be created in 2027, with the new unitary authorities coming into being on 1st April 2028

Donations via Zeffy

Your donation—no matter the amount—goes to the heart of our community, supporting those who need it most. When you give to Restore, you're not just making a donation—you're making a difference in someone's everyday life. Join us in demonstrating the strength of community. Together, we can improve lives and bring hope.

Seaton Banking Hub is open!

Your local shared banking hub is open at
Unit A Marine Place, Seaton, Devon, EX12 2LL

Monday to Friday, 9am to 5pm.

At the banking hub you can:

- Withdraw cash
- Deposit cash and cheques
- Make balance enquiries
- Pay utility bills
- Access other cash services, such as floats and coinage (for registered businesses)
- Talk to a community banker from your own bank about managing your account, payments and transfers, getting online – and many other things
- × The banking hub is not a Post Office so you **can't** send parcels or buy stamps

SEATON CHAMBER

Working for the community

How do you feel about Seaton's growth and long-term future?
Does living and working in a thriving community matter to you?

Join Seaton Chamber, where your membership will actively help to shape our vibrant community, now and in the future.

Seaton Chamber unites local businesses, residents and community groups with a shared vision for our town's growth.

The mission is simple: *to make Seaton a great place to live and work, with a thriving town centre and to be a destination of choice for our visitors.*

Our dedicated team of local business owners, together with our volunteers, come together to help develop and promote Seaton, through community focused initiatives and action.

Together, we can build a brighter future for Seaton!

If joining a group of likeminded individuals, who care about shaping the future of our town and fostering a real sense of community, sounds right for you, join us today!

Restore⁷

Improving Lives Bringing Hope

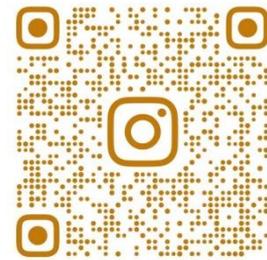

You are not alone. If you need help please reach out to Restore or one of the fantastic groups highlighted in this booklet.

We are a friendly community and there is likely to be someone who's gone through the same thing and is willing to help navigate forward with you.
